- 1 1/2 cups sliced sweet bell pepper (red, yellow)
- 1 cup shredded carrots
- 1 1/2 slice English cucumber (cut in quarters)
- 1 cup peeled and chopped fresh mango
- 1 1/2 cup chopped avocado pieces (peeled and pitted)

Directions

Shrimp Tacos

1. Make the salad by placing the cabbage, carrots, peppers, cucumber, mango and avocado in a bowl. Mix the dressing ingredients together.
2. To make the dressing place all the ingredients in a bowl and mix
3. Pour the dressing on the salad ingredients and mix. Set aside.
4. Prepare the shrimp by ensuring they are peeled and clean. Place in a bowl. Mix the cumin, chili powder, coriander, and cayenne together and add to the shrimp. Mix. Add a pinch of sea salt (more can be added later, if needed).
5. Heat the olive oil or butter in a saucepan over medium-high heat. Add the shrimp to the pan and sauté until they are cooked (5 to 7 minutes). Remove from the pan.
6. Place a tortilla on a plate. Scoop some of the salad and place it on the tortilla and spread it evenly over the surface, leaving some space around the edge. Top with two

shrimps. Roll up the tortilla. Do this for the rest of the tortillas. Serve.
